Professional Smart Security

Slimline Touchpad PRO
Models: RE667W-PRO, RE667W-R-PRO

Give customers modern control of their smart security system with the Slimline Touchpad PRO. With its 7" full-color touchscreen and the ability for wall mounting or tabletop display the Slimline Touchpad offers complete control of a smart security system from anywhere in the premises.

alula.com/slimline-touchpad

Arm and disarm the system, view cameras, control smart devices and initiate scenes all from the Slimline Touchpad PRO. Plus it looks the same as the Alula Smart Security app which makes it easy for customers to learn and use.
